

applicability of this Declaration and the applicability of all covenants, conditions, and restrictions contained in this Declaration. This provision is not subject to amendment.

7.2 Transfer. The transfer of the fee title to a Home, whether voluntary or by operation of law, terminating the Owner's title to that Home shall terminate the Owner's rights to the use of and enjoyment of the Common Areas as it pertains to that Home and shall terminate such Owner's membership in Association. An Owner's rights and privileges under this Declaration are not assignable separately from a Home. The Owner of each Home is entitled to the benefits of, and is burdened with the duties and responsibilities set forth in, the provisions of this Declaration. All parties acquiring any right, title and interest in and to any Home shall be fully bound by the provisions of this Declaration. In no event shall any Owner acquire any rights that are greater than the rights granted to, and limitations placed upon its predecessor in title pursuant to the provisions of this Declaration. In the event that any Owner desires to sell or otherwise transfer title of his or her Home, such Owner shall give the Board at least fourteen (14) days prior written notice of the name and address of the purchaser or transferee, the date on which such transfer of title is to take place, and such other information as the Board may reasonably require. The transferor shall remain jointly and severally liable with the transferee for all obligations of the Owner and the Home pursuant to this Declaration including, without limitation, payment of all Assessments accruing prior to the date of transfer. Until written notice is received as provided in this Section, the transferor and transferee shall be jointly and severally liable for Assessment accruing subsequent to the date of transfer. In the event that upon the conveyance of a Home an Owner fails in the deed of conveyance to reference the imposition of this Declaration on the Home, the transferring Owner shall remain liable for Assessments accruing on the Home from and after the date of conveyance.

7.3 Membership. Upon acceptance of title to a Home, and as more fully provided in the Articles and By-Laws, each Owner (or his or her Lessee, if applicable) shall be a member of Association. Membership rights are governed by the provisions of this Declaration, the deed to a Home, the Articles and By-Laws. Membership shall be an appurtenance to and may not be separated from, the ownership of a Home. Developer rights with respect to Association are set forth in this Declaration, the Articles and the By-Laws.

7.4 Ownership by Entity. In the event that an Owner is other than a natural person, that Owner shall, prior to occupancy of the Home, designate one or more persons who are to be the occupants of the Home and register such persons with Association. All provisions of this Declaration and the other Association Documents shall apply to both such Owner and the designated occupants.

7.5 Voting Interests. Voting interests in Association are governed by the provisions of the Articles and By-Laws.

7.6 Document Recordation by Owners Prohibited. Neither Association nor any Owner, nor group of Owners, may record any documents which, in any way, affect or restrict the rights of Developer, or conflict with the provisions of this Declaration or the other Association Documents.

7.7 Conflicts. In the event of any conflict among this Declaration, the Articles, the By-Laws or any of the other Association Documents, this Declaration shall control.

8. Paramount Right of Developer. Notwithstanding anything to the contrary herein, prior to the Community Completion Date Developer shall have the paramount right to dedicate, transfer, and/or convey (by absolute conveyance, easement, or otherwise) portions of Monte Carlo for various public purposes or for the provision of Telecommunications Systems, or to make any portions of Monte Carlo part of the Common Areas, or to create and implement a special taxing district which may include all or any portion of Monte Carlo. In addition, the Common Areas of Monte Carlo may include decorative improvements, and berms. Developer may remove, modify, eliminate or replace these items from time to time in its sole discretion. SALES BROCHURES, SITE PLANS, AND MARKETING MATERIALS ARE CURRENT CONCEPTUAL REPRESENTATIONS AS TO WHAT FACILITIES, IF ANY, WILL BE INCLUDED WITHIN THE COMMON AREAS. DEVELOPER SPECIFICALLY RESERVES THE RIGHT TO CHANGE THE LAYOUT, COMPOSITION, AND DESIGN OF ANY AND ALL COMMON AREAS AT ANY TIME WITHOUT NOTICE AT ITS DISCRETION.

9. Operation of Common Areas.

9.1 Prior to Conveyance. Prior to the conveyance, identification and/or dedication of the Common Areas to Association as set forth in Section 9.4 herein, any portion of the Common Areas owned by Developer shall be operated, maintained, and administered at the sole cost of Association for all purposes and uses reasonably intended, as Developer in its sole discretion deems appropriate. During such period, Developer shall own, operate, and administer the Common Areas without interference from any Owner or Lender of a Home or any portion of Monte Carlo or Home or any other person or entity whatsoever. Owners shall have no right in or to any Common Areas referred to in this Declaration unless and until same are actually constructed, completed, and conveyed to, leased by, dedicated to, and/or maintained by Association. The current conceptual representations, if any, regarding the composition of the Common Areas are not a guarantee of the final composition of the Common Areas. No party should rely upon any statement contained herein as a representation or warranty as to the extent of the Common Areas to be owned, leased by, or dedicated to Association. Developer, so long as it controls Association, further specifically retains the right to add to, delete from, or modify any of the Common Areas referred to herein at its discretion and without notice.

9.2 Construction of Common Areas Facilities. Developer has constructed or will construct, at its sole cost and expense, certain facilities and improvements as part of the Common Areas, together with equipment and personalty contained therein, and such other improvements and personalty as Developer determines in its sole discretion. Developer shall be the sole judge of the composition of such facilities and improvements. Prior to the Community Completion Date Developer reserves the absolute right to construct additional Common Areas facilities and improvements within Monte Carlo, from time to time, in its sole discretion, and to remove, add to modify and change the boundaries, facilities and improvements now or then part of the Common Areas. Developer is not obligated to, nor has it represented that it will, modify or add to the facilities, improvements, or Common Areas as they are contemplated as of the date hereof. Developer is the sole judge of the foregoing, including the plans, specifications, design, location, completion schedule, materials, size, and contents of the facilities, improvements, appurtenances, personalty (e.g., furniture), color, textures, finishes, or Common Areas, or changes or modifications to any of them.

9.3 Use of Common Areas by Developer. Until the Community Completion Date Developer shall have the right to use any portion of the Common Areas, without charge, for any purpose deemed appropriate by Developer.

9.4 Conveyance.

9.4.1 Generally. Within sixty (60) days after the Turnover Date, or earlier as determined by Developer in its sole discretion, all or portions of the Common Areas may be dedicated by Plats, created in the form of easements, or conveyed by written instrument recorded in the Public Records, or by Quitclaim Deed from Developer to Association. Association shall pay all of the costs of the conveyance. The dedication, creation by easement, or conveyance shall be subject to easements, restrictions, reservations, conditions, limitations, and declarations of record, real estate taxes for the year of conveyance, zoning, land use regulations and survey matters. Association shall be deemed to have assumed and agreed to pay all continuing obligations and service and similar contracts relating to the ownership operation, maintenance, and administration of the conveyed portions of Common Areas and other obligations relating to the Common Areas imposed herein. Association shall, and does hereby, indemnify and hold Developer harmless on account thereof. Association, by its joinder in this Declaration, hereby accepts such dedication(s) or conveyance(s) without setoff, condition, or qualification of any nature. The Common Areas, personal property and equipment thereon and appurtenances thereto shall be dedicated or conveyed in "as is, where is" condition WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, IN FACT OR BY LAW, AS TO THE CONDITION, FITNESS OR MERCHANTABILITY OF THE COMMON AREAS BEING CONVEYED. Notwithstanding the foregoing, any such conveyance or encumbrance of such Common Areas is subject to each irrevocable Owner's ingress and egress easement to his or her Home as set forth in this Declaration.

9.4.2 Form of Deed. Each deed of the Common Areas shall be subject to the following provisions:

9.4.2.1 a perpetual nonexclusive easement in favor of governmental agencies for the maintenance and repair of existing road, speed and directional signs, if any;

9.4.2.2 matters reflected in the plat(s) of Monte Carlo;

9.4.2.3 perpetual non-exclusive easements in favor of Developer, its successors, and assigns in, to, upon and over all of the Common Areas for the purposes of vehicular and pedestrian ingress and egress, installation of utilities, landscaping and/or drainage, without charge, including, without limitation, the right to use such roadways for construction vehicles and equipment. The easements reserved in the deed shall run in favor of Developer, and its employees, representatives, agents, licensees, guests, invitees, successors and/or assigns;

9.4.2.4 all restrictions, easements, covenants and other matters of record;

9.4.2.5 in the event that Association believes that Developer shall have failed in any respect to meet Developer's obligations under this Declaration or has failed to comply with any of Developer's obligations under law or the Common Areas conveyed herein are defective in any respect, Association shall give written notice to Developer detailing the alleged failure or defect. Once Association has given written notice to Developer pursuant to this Section, Association shall be obligated to permit Developer and their agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by Developer to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 9 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Developer to repair or address, in Developer's sole option and expense, any aspect of the Common Areas deemed defective by Developer during its inspections of the Common Areas. Association's failure to give the notice and/or otherwise comply with the provisions of this Section will damage Developer. At this time, it is impossible to determine the actual damages Developer might suffer. Accordingly, if Association fails to comply with its obligations under this Section in any respect, Association shall pay to Developer liquidated damages in the amount of \$250,000.00 which Association and Developer agree is a fair and reasonable remedy; and

9.4.2.6 a reservation of right in favor of Developer (so long as Developer owns any portion of Monte Carlo) to require that Association reconvey all or a portion of the Common Areas conveyed by quitclaim deed in favor of Developer in the event that such property is required to be owned by Developer for any purpose, including, without limitation, the reconfiguration of any adjacent property by replatting or otherwise.

9.5 Operation After Conveyance. After the conveyance or dedication of any portion of the Common Areas to Association, the portion of the Common Areas so dedicated shall be owned, operated and administered by Association for the use and benefit of the owners of all property interests in Monte Carlo including, but not limited to, Association, Developer, Owners and any Lenders. Notwithstanding the foregoing, only subject to Association's right to grant easements and other interests as provided herein, Association may not convey, abandon, alienate, encumber, or transfer all or a portion of the Common Areas to a third party without (i) if prior to and including the Turnover Date, the approval of (a) a majority of the Board; and (b) the consent of Developer, or (ii) after the Turnover Date, approval of (a) sixty-six and two-thirds percent (66 $\frac{2}{3}$ %) of the Board; and (b) seventy-five percent (75%) of all of the votes in Association.

9.6 Paved Common Areas. The Common Areas may contain certain paved areas. Without limiting any other provision of this Declaration, Association is responsible for the maintenance and/or resurfacing of all paved surfaces, cart paths, roads, pathways, and sidewalks forming a part of the Common Areas, if any. Although pavement appears to be a durable material, it requires maintenance. Association shall have the right, but not the obligation, to arrange for an annual inspection of all paved surfaces forming a part of the Common Areas by a licensed paving contractor and/or engineer. The cost of such inspection shall be a part of the Operating Costs of Association. Association shall determine annually the parameters of the inspection to be performed, if any. By way of example, and not of limitation, the inspector may be required to inspect the roads and sidewalks forming part of the Common Areas annually for deterioration and to advise Association of the overall pavement conditions including any upcoming maintenance needs. Any patching, grading, or other maintenance work should be

performed by a Company licensed to perform the work. From and after the Community Completion Date, Association should monitor the roads, cart paths and sidewalks forming the Common Areas monthly to ensure that vegetation does not grow into the asphalt and that there are no eroded or damaged areas that need immediate maintenance.

9.7 Delegation and Managers. Once conveyed or dedicated to Association, the Common Areas and facilities and improvements located thereon shall, subject to the provisions of this Declaration and the document of conveyance or dedication, at all times be under the complete supervision, operation, control, and management of Association. Notwithstanding the foregoing Association may delegate all or a portion of its obligations hereunder to a licensed manager or professional management company. Association specifically shall have the right to pay for management services on any basis approved by the Board (including bonuses or special fee arrangements for meeting financial or other goals). Developer, its affiliates and/or subsidiaries shall have the right to manage Association. Owners and Association acknowledge that it is fair and reasonable to have Developer, its affiliates and/or subsidiaries manage Association. Further, in the event that a Common Area is created by easement, Association's obligations and rights with respect to such Common Area may be limited by the terms of the document creating such easement.

9.8 Use.

9.8.1 General Public Use. The Common Areas shall be used and enjoyed by the Owners on a non-exclusive basis in common with other persons, entities and corporations (who may, but are not required to be, members of Association) entitled to use those portions of the Common Areas. Prior to the Community Completion Date, Developer, and thereafter, Association, has the right, at any and all times, and from time to time, to further additionally provide and make the Common Areas available to other individuals, persons, firms, or corporations, as it deems appropriate. The granting of such rights shall not invalidate this Declaration, reduce or abate any Owner's obligations pursuant to this Declaration, or give any Owner the right to avoid any of the covenants, agreements or obligations to be performed hereunder.

9.8.2 Right to Allow Use. Developer and/or Association may enter into easement agreements or other use or possession agreements whereby the Owners, Telecommunications Providers, and/or Association and/or others may obtain the use, possession of, or other rights regarding certain property, on an exclusive or non-exclusive basis, for certain specified purposes. Association may agree to maintain and pay the taxes, insurance, administration, upkeep, repair, and replacement of such property, the expenses of which shall be Operating Costs. Any such agreement by Association prior to the Community Completion Date shall require the consent of Developer. Thereafter, any such agreement shall require the approval of the majority of the Board of Directors.

9.8.3 Obstruction of Common Areas. No portion of the Common Areas may be obstructed, encumbered, or used by Owners for any purpose other than as permitted by Association.

9.8.4 Assumption of Risk. Without limiting any other provision herein, each person within any portion of Monte Carlo accepts and assumes all risk and responsibility for noise, liability, injury, or damage connected with use or occupancy of any portion of Monte Carlo (e.g., the Common Areas) including, without limitation, (a) noise from maintenance equipment, (b) use of pesticides, herbicides and fertilizers, view restrictions caused by maturation of trees and shrubbery, (c) reduction in privacy caused by the removal or pruning of shrubbery or trees within Monte Carlo and (d) design of any portion of Monte Carlo. Each person entering onto any portion of Monte Carlo also expressly indemnifies and agrees to hold harmless Developer, Association, and all employees, directors, representatives, officers, agents, and partners of the foregoing, from any and all damages, whether direct or consequential, arising from or related to the person's use of the Common Areas, including attorneys' fees, paraprofessional fees and costs at trial and upon appeal. Without limiting the foregoing, all persons using the Common Areas and/or Facilities, including without limitation, any pool or area adjacent to a lake, do so at their own risk. BY ACCEPTANCE OF A DEED, EACH OWNER ACKNOWLEDGES THAT THE COMMON AREAS MAY CONTAIN WILDLIFE SUCH AS ALLIGATORS, DOGS, RACCOONS, SNAKES, DUCKS, DEER, SWINE, TURKEYS, AND FOXES. DEVELOPER, BUILDERS, AND ASSOCIATION SHALL HAVE NO

RESPONSIBILITY FOR MONITORING SUCH WILDLIFE OR NOTIFYING OWNERS OR OTHER PERSONS OF THE PRESENCE OF SUCH WILDLIFE. EACH OWNER AND HIS OR HER GUESTS AND INVITEES ARE RESPONSIBLE FOR THEIR OWN SAFETY.

9.8.5 Owner's Obligation to Indemnify. Each Owner agrees to indemnify and hold harmless Developer, Builders and Association, their officers, partners, agents, employees, affiliates, directors and attorneys (collectively, "Indemnified Parties") against all actions, injury, claims, loss, liability, damages, costs and expenses of any kind or nature whatsoever ("Losses") incurred by or asserted against any of the Indemnified Parties from and after the date hereof, whether direct, indirect, or consequential, as a result of or in any way related to the Common Areas, including, without limitation, use of the lakes and other waterbodies within Monte Carlo by Owners, and their guests, family members, invitees, or agents, or the interpretation of this Declaration and/or exhibits attached hereto and/or from any act or omission of Developer, Builders and Association, or of any of the Indemnified Parties. Should any Owner bring suit against Developer, Builders or Association, or any of the Indemnified Parties for any claim or matter and fail to obtain judgment therein against such Indemnified Parties, such Owner shall be liable to such parties for all Losses, costs and expenses incurred by the Indemnified Parties in the defense of such suit, including attorneys' fees and paraprofessional fees at trial and upon appeal.

9.9 Rules and Regulations.

9.9.1 Generally. Prior to and including the Turnover Date, Developer, and thereafter Association, shall have the right to adopt Rules and Regulations governing the use of the Common Areas and Monte Carlo. The Common Areas shall be used in accordance with this Declaration and Rules and Regulations promulgated hereunder.

9.9.2 Developer Not Subject to Rules and Regulations. The Rules and Regulations shall not apply to the Developer or to any property owned by Developer and shall not be applied in a manner which would adversely affect the interests of the Developer. Without limiting the foregoing, Developer, Builder and/or their assigns, shall have the right to: (i) develop and construct commercial, club uses, and industrial uses, Homes, Common Areas, and related improvements within Monte Carlo, and make any additions, alterations, improvements, or changes thereto; (ii) maintain sales offices (for the sale and re-sale of (a) Homes and (b) residences and properties located outside of Monte Carlo), general offices and construction operations within Monte Carlo; (iii) place, erect or construct portable, temporary or accessory buildings or structure within Monte Carlo for sales, construction storage or other purposes; (iv) temporarily deposit, dump or accumulate materials, trash, refuse and rubbish in connection with the development or construction of any portion of Monte Carlo; (v) post, display, inscribe or affix to the exterior of any portion of the Common Areas or portions of Monte Carlo owned by Developer, signs and other materials used in developing, constructing, selling or promoting the sale of any portion of Monte Carlo including, without limitation, Homes; (vi) excavate fill from any lakes or waterways within and/or contiguous to Monte Carlo by dredge or dragline, store fill within Monte Carlo and remove and/or sell excess fill; and grow or store plants and trees within, or contiguous to, Monte Carlo and use and/or sell excess plants and trees; and (vii) undertake all activities which, in the sole opinion of Developer, are necessary for the development and sale of any lands and improvements comprising Monte Carlo.

9.10 Default by Another Owner. No default by any Owner in the performance of the covenants and promises contained in this Declaration or by any person using the Common Areas or any other act of omission by any of them shall be construed or considered (a) a breach by Developer or Association or a non-defaulting Owner or other person or entity of any of their promises or covenants in this Declaration; or (b) an actual, implied or constructive dispossession of another Owner from the Common Areas; or (c) an excuse, justification, waiver or indulgence of the covenants and promises contained in this Declaration.

9.11 Special Taxing Districts. For as long as Developer controls Association, Developer shall have the right, but not the obligation, to dedicate or transfer or cause the dedication or transfer of all or portions of the Common Areas of Association to a special taxing district or a public agency or authority under such terms as Developer deems appropriate in order to create or contract with special taxing districts and community development districts (or others) for lighting, perimeter walls, wing walls, entrance features, roads, landscaping, irrigation areas, lakes, waterways, ponds, surface water management systems, wetlands mitigation areas, parks,

recreational or other services, security or communications, or other similar purposes deemed appropriate by Developer, including without limitation, the maintenance and/or operation of any of the foregoing. As hereinafter provided, Developer may sign any taxing district petition as attorney-in-fact for each Owner. Each Owner's obligation to pay taxes associated with such district shall be in addition to such Owner's obligation to pay Assessments. Any special taxing district shall be created pursuant to all applicable ordinances of Broward County and all other applicable governing entities having jurisdiction with respect to the same.

9.12 Association's Obligation to Indemnify. Association and Owners each covenant and agree jointly and severally to indemnify, defend and hold harmless Developer, its officers, directors, shareholders, and any related persons or corporations and its employees from and against any and all claims, suits, actions, causes of action or damages arising from any personal injury, loss of life, or damage to property, sustained on or about the Common Areas, or other property serving Association, and improvements thereon, or resulting from or arising out of activities or operations of Association or Owners, and from and against all costs, expenses, court costs, attorneys' fees and paraprofessional fees (including, but not limited to, all trial and appellate levels and whether or not suit be instituted), expenses and liabilities incurred or arising from any such claim, the investigation thereof, or the defense of any action or proceedings brought thereon, and from and against any orders judgments or decrees which may be entered relating thereto. The costs and expense of fulfilling this covenant of indemnification shall be Operating Costs to the extent such matters are not covered by insurance maintained by Association.

9.13 Site Plans and Plats. Monte Carlo may be subject to one or more plats (each individually, a "Plat"). The Plat may identify some of the Common Areas within Monte Carlo. The description of the Common Areas on a Plat is subject to change and the notes on a Plat are not a guarantee of what facilities will be constructed on such Common Areas. Site plans used by Developer in its marketing efforts illustrate the types of facilities which may be constructed on the Common Areas, but such site plans are not a guarantee of what facilities will actually be constructed. Each Owner should not rely on a Plat or any site plans used for illustration purposes as the Declaration governs the rights and obligations of Developer and Owners with respect to the Common Areas.

10. Party Walls.

10.1 General Rules of Law to Apply. To the extent not inconsistent with the provisions of this Section, the general rule of law regarding party walls and liability for personal damage due to negligence of willful acts or omissions shall apply to all Party Walls within Monte Carlo which are built by Developer as part of the original construction of the Homes and any replacement thereof. In the event any portion of any structure or facility, as originally constructed by Developer, including, without limitation, any Party Wall, shall protrude over an adjoining Home, it shall be deemed that such Owners have granted perpetual easements to the adjoining Owner or Owners for continuing maintenance and use of the protruding structure, facility or Party Wall. The foregoing shall also apply to any replacements of Party Walls. The foregoing conditions shall be perpetual in duration and shall not be subject to amendment of this Declaration.

* 10.2 Painting. Each Owner shall be responsible for painting the portion of any Party Wall which faces his or her Home.

10.3 Sharing of Repair, Replacement and Maintenance for Party Walls.

* 10.3.1 Generally. The cost of reasonable repair and maintenance of Party Walls (other than painting) shall be shared equally by the Owners of the Homes sharing such improvements without prejudice, subject however, to the right of any Owner to call for a larger contribution from the other under any rule of law regarding liability for negligent or willful acts or omissions.

10.3.2 Failure to Contribute. In the event that an Owner shall fail or refuse to pay his pro rata share of costs of repair, maintenance, or replacement of a Party Wall (whether or not through his own fault or the failure of his insurance company to pay any claim), then and in that event, the Owner advancing monies therefor shall have the right to file a claim of lien in the Public Records for such monies advanced and shall have the right to foreclose said lien in

accordance with the same procedural requirements as now provided for in Florida Statutes for foreclosure of a construction lien; provided, however, such claim of lien shall be filed within ninety (90) days from date repairs or replacements are made to the Party Wall and suit thereon shall be commenced one (1) year from date such lien is filed. Notwithstanding the foregoing, Association shall have the right, but not the obligation, to advance monies for the repair, replacement and/or maintenance of Party Wall(s) and charge the responsible Owner(s) an Individual Assessment for such Owner's pro rata share of the costs.

To the extent not inconsistent with the provisions of this Section, the general rule of law regarding party roofs and liability for personal damage due to negligence of willful acts or omissions shall apply to all Party Roofs within Monte Carlo which are built by Developer as part of the original construction of the Homes and any replacement thereof. In the event any portion of any structure or facility, as originally constructed by Developer, including, without limitation, any Party Roof, shall protrude over an adjoining Home, it shall be deemed that such Owners have granted perpetual easements to the adjoining Owner or Owners for continuing maintenance and use of the protruding structure, facility or Party Roof. The foregoing shall also apply to any replacements of Party Roofs. The foregoing conditions shall be perpetual in duration and shall not be subject to amendment of this Declaration.

11.2 Sharing of Repair, Replacement and Maintenance for Party Roofs.

11.2.1 Generally. The cost of reasonable repair and maintenance of Party Roofs shall be shared equally by the Owners of the Homes sharing such improvements without prejudice, subject however, to the right of any Owner to call for a larger contribution from the other under any rule of law regarding liability for negligent or willful acts or omissions.

11.2.2 Failure to Contribute. In the event that an Owner fails or refuses to pay his or her pro rata share of costs to repair, maintain and/or replace his or her portion of the Party Roof (whether or not through his or her own fault or the failure of his or her insurance company to pay any claim), then and in that event, the Owner advancing monies therefor shall have the right to file a claim of lien in the Public Records for such monies advanced and shall have the right to foreclose such lien in accordance with the same procedural requirements as now provided for in Florida Statutes for foreclosure of a construction lien; provided, however, such claim of lien shall be filed within ninety (90) days from the date repairs, replacements and/or maintenance are made to the Party Roof and the suit thereon shall be commenced one (1) year from the date such lien is filed. Notwithstanding the foregoing, Association shall have the right, but not the obligation, to advance monies for the repair, replacement and/or maintenance of Party Roof(s) and charge the responsible Owner(s) an Individual Assessment for such Owner's pro rata share of the costs.

If owned by Association as Common Areas, the costs of the operation and maintenance of the Surface Water Management System shall be part of the Operating Costs of Association. Notwithstanding the foregoing, the SFWMD has the right to take enforcement action, including a civil action for injunction and penalties against Association, to compel it to correct any outstanding problems with the Surface Water Management System facilities or in mitigation or conservation areas under the responsibility or control of Association. Each Builder and Owner within Monte Carlo at the time of construction of a building, residence or structure shall comply with the construction plans for the Surface Water Management System approved and on file with the SFWMD. Association shall accept any and all transfer of permits from Developer. Association shall cooperate with Developer with any applications, certifications, documents or consents required to effectuate any such transfer of permits to Association.

12.8 Adjoining Areas. Association shall also maintain those drainage areas, swales, lakes, maintenance easements, driveways, and landscape areas that are within the Common Areas and immediately adjacent to a Home, provided that such areas are readily accessible to Association. Under no circumstances shall Association be responsible for maintaining any portion of a Home or Lot that is fenced and/or enclosed.

A determination rendered by such party with respect to such dispute shall be final and binding on all persons concerned.

13.12 Drainage System. Drainage systems and drainage facilities may be part of the Common Areas and/or Homes. Once a drainage system or drainage facilities are installed by Developer, the maintenance of such systems and/or facilities thereafter within the boundary of a Home shall be the responsibility of the Owner of the Home which includes such system and/or facilities. In the event that such system or facilities (whether comprised of swales, pipes, pumps, waterbody slopes, or other improvements) is adversely affected by landscaping, fences structures (including, without limitation, pavers), or additions by Owners, the cost to correct, repair, or maintain such drainage system and/or facilities shall be the responsibility of the Owner of each Home containing all or a part of such drainage system and/or facilities. By way of example, and not of limitation, if the Owner of one Home plants a tree (pursuant to ACC approval) and the roots of such tree subsequently affect pipes or other drainage facilities within another Home, the Owner that plants the tree shall be solely responsible for the removal of the roots which adversely affects the adjacent Home. 13.14 Easement for Unintentional and Non-Negligent Encroachments. If any other building or improvement on a Home shall encroach upon another Home by reason of original construction by Developer, then an easement for such encroachment shall exist so long as the encroachment exists. It is contemplated that each Home shall contain an improvement with exterior walls, footings and other protrusions which may pass over or underneath an adjacent Home. A perpetual nonexclusive easement is herein granted to allow the footers for such walls and other protrusions and to permit any natural water runoff from roof overhangs, eaves and other protrusions onto an adjacent Home.

13.15 Extended Vacation and Absences. In the event a Home will be unoccupied for an extended period, the Home must be prepared prior to departure by: (i) notifying Association in writing; (ii) removing all removable furniture, plants and other objects from outside the Home; and (iii) designating a responsible firm or individual to care for the Home, should the Home suffer damage or require attention, and providing a key to that firm or individual. Due to water quality, irrigation systems may cause staining on Homes, other structures or paved areas. It is each Owner's responsibility to treat and remove any such staining. Association may require from time to time, that Owners adopt systems to prevent stains (e.g., automatic deionization systems). The yard of each Home may be equipped with irrigation lines, depending on the model of the Home. No Owner whose Home adjoins a waterway or lake may utilize the waterway or lake to irrigate unless so provided by Developer as part of original construction, subject to applicable permitting. Any use of lake water is at the Owner's sole risk as chemicals are used to control aquatic vegetation in lakes. Association may use waterways and lakes to irrigate Common Areas subject to applicable permitting. The standard for all demolition, reconstruction, and other work performed as required by this Section 14.2.3 shall be in accordance with the Community Standards and any other standards established by Association with respect to any casualty that affects all or a portion of Monte Carlo.

14.2.4 Additional Rights of Association. If an Owner refuses or fails, for any reason, to perform the Required Repair or Required Demolition as herein provided, then Association, in its sole and absolute discretion, by and through its Board is hereby irrevocably authorized by such Owner to perform the Required Repair or Required Demolition. All

Required Repair performed by Association pursuant to this Section shall be in conformance with the original plans and specifications for the Home. Association shall have the absolute right to perform the Required Demolition to a Home pursuant to this Section if any contractor certifies in writing to Association that such Home cannot be rebuilt or repaired. The Board may levy an Individual Assessment against the Owner in whatever amount sufficient to adequately pay for Required Repair performed by Association.

14.2.5 Rights of County. In the event that any Home is destroyed by fire or other casualty, County or other authorized governmental agency shall have the right, but not the obligation, to enter such Owner's Lot and/or Home for the purpose of inspecting and assessing the damage to such Home. County shall further have the right to enforce any local laws and/or ordinances with regard to the Required Repair or the Required Demolition of the Home.

14.2.6 Association Has No Liability. Notwithstanding anything to the contrary in this Section, Association, its directors and officers, shall not be liable to any Owner should an Owner fail for any reason whatsoever to obtain insurance coverage on a Home. Moreover, Association, its directors and officers, shall not be liable to any person if Association does not enforce the rights given to Association in this Section.

14.3 Fidelity Bonds. If available, a blanket fidelity bond for all officers, directors, trustees and employees of Association, and all other persons handling or responsible for funds of, or administered by, Association. In the event Association delegates some or all of the responsibility for the handling of the funds to a professional management company or licensed manager, such bonds shall be required for its officers, employees and agents, handling or responsible for funds of, or administered on behalf of Association. The amount of the fidelity bond shall be based upon reasonable business judgment. The fidelity bonds required herein must meet the following requirements (to the extent available at a reasonable premium):

14.3.1 The bonds shall name Association as an obligee.

14.3.2 The bonds shall contain waivers, by the issuers of the bonds, of all defenses based upon the exclusion of persons serving without compensation from the definition of "employee" or similar terms or expressions.

14.3.3 The premiums on the bonds (except for premiums on fidelity bonds maintained by a professional management company, or its officers, employees and agents), shall be paid by Association.

14.3.4 The bonds shall provide that they may not be canceled or substantially modified (including cancellation for non-payment of premium) without at least thirty (30) days' prior written notice to Developer (until the Community Completion Date) and Association.

14.4 Association as Agent. Association is irrevocably appointed agent for each Owner of any interest relating to the Common Areas to adjust all claims arising under insurance policies purchased by Association and to execute and deliver releases upon the payment of claims.

14.5 Casualty to Common Areas. In the event of damage to the Common Areas, or any portion thereof, Association shall be responsible for reconstruction after casualty. In the event of damage to a Home, or any portion thereof, the Owner shall be responsible for reconstruction after casualty.

14.6 Nature of Reconstruction. Any reconstruction of improvements hereunder shall be substantially in accordance with the plans and specifications of the original improvement, or as the improvement was last constructed, subject to modification to conform with the then current governmental regulation(s).

14.7 Additional Insured. Developer and its Lender(s) shall be named as additional insured on all policies obtained by Association, as their interests may appear.

14.8 Cost of Payment of Premiums. The costs of all insurance maintained by Association hereunder, and any other fees or expenses incurred which may be necessary or incidental to carry out the provisions hereof are Operating Costs.

15. Property Rights.

15.1 Owners' Easement of Enjoyment. Every Owner, and its immediate family, tenants, guests and invitees, and every owner of an interest in Monte Carlo shall have a non-exclusive right and easement of enjoyment in and to those portions of the Common Areas which it is entitled to use for their intended purpose, subject to the following provisions:

15.1.1 Easements, restrictions, reservations, conditions, limitations and declarations of record, now or hereafter existing, and the provisions of this Declaration, as amended.

15.1.2 The right of Association to suspend an Owner's rights hereunder or to impose fines in accordance with Section 720.305 of the Florida Statutes, as amended from time to time.

15.1.3 The right to suspend the right to use all (except vehicular and pedestrian ingress and egress and necessary utilities) or a portion of the Common Areas by an Owner, its immediate family, etc. for any period during which any Assessment against that Owner remains unpaid.

15.1.4 The right of Developer and/or Association to dedicate or transfer all or any part of the Common Areas. No such dedication or transfer shall be effective prior to the Community Completion Date without prior written consent of Developer.

15.1.5 The perpetual right of Developer to access and enter the Common Areas at any time, even after the Community Completion Date, for the purposes of inspection and testing of the Common Areas. Association and each Owner shall give Developer unfettered access, ingress and egress to the Common Areas so that Developer and/or its agents can perform all tests and inspections deemed necessary by Developer. Developer shall have the right to make all repairs and replacements deemed necessary by Developer. At no time shall Association and/or an Owner prevent, prohibit and/or interfere with any testing, repair or replacement deemed necessary by Developer relative to any portion of the Common Areas.

15.1.6 The right of Developer and/or Association to modify the Common Areas as set forth in this Declaration.

15.1.7 The rights of Developer and/or Association regarding Monte Carlo as reserved in this Declaration, including the right to utilize the same and to grant use rights, etc. to others.

15.1.8 Rules and Regulations adopted governing use and enjoyment of the Common Areas.

15.1.9 An Owner relinquishes use of the Common Areas at any time that a Home is leased to a Tenant.

15.2 Ingress and Egress. An easement for ingress and egress is hereby created for pedestrian traffic over, and through and across sidewalks paths, walks, driveways, passageways, and lanes as the same, from time to time, may exist upon, or be designed as part of, the Common Areas, and for vehicular traffic over, through and across such portions of the Common Areas as, from time to time, may be paved and intended for such purposes.

15.3 Development Easement. In addition to the rights reserved elsewhere herein, Developer reserves an easement for itself or its nominees over, upon, across, and under Monte Carlo as may be required in connection with the development of Monte Carlo, and other lands designated by Developer and to promote or otherwise facilitate the development, construction and sale and/or leasing of Homes, any portion of Monte Carlo, and other lands designated by Developer. Without limiting the foregoing, Developer specifically reserves the right to use all paved roads and rights of way within Monte Carlo for vehicular and pedestrian ingress and egress to and from construction sites and for the construction and maintenance of any Telecommunications Systems provided by Developer. Specifically, each Owner acknowledges that construction vehicles and trucks may use portions of the Common Areas. Developer shall have no liability or obligation to repave, restore, or repair any portion of the Common Areas as a

result of the use of the same by construction traffic, and all maintenance and repair of such Common Areas shall be deemed ordinary maintenance of Association payable by all Owners as part of Operating Costs. Without limiting the foregoing, at no time shall Developer be obligated to pay any amount to Association on account of Developer's use of the Common Areas for construction purposes. Developer intends to use the Common Areas for sales of new and used Homes. Further, Developer may market other residences and commercial properties located outside of Monte Carlo from Developer's sales facilities located within Monte Carlo. Developer has the right to use all portions of the Common Areas in connection with its marketing activities, including, without limitation, allowing members of the general public to inspect model Homes, installing signs and displays, holding promotional parties and picnics, and using the Common Areas for every other type of promotional or sales activity that may be employed in the marketing of new and used residential Homes or the leasing of residential apartments. The easements created by this Section, and the rights reserved herein in favor of Developer, shall be construed as broadly as possible and supplement the rights of Developer set forth in Section 20.1 of this Declaration. At no time shall Developer incur any expense whatsoever in connection with its use and enjoyment of such rights and easements. Without limiting any other provision of this Declaration, Developer may non-exclusively assign its rights hereunder to each Builder.

15.4 Public Easements. Fire, police, school transportation, health, sanitation and other public service and utility company personnel and vehicles shall have a permanent and perpetual easement for ingress and egress over and across the Common Areas. In addition, Telecommunications Providers shall also have the right to use all paved roadways for ingress and egress to and from Telecommunications Systems within Monte Carlo.

15.5 Delegation of Use. Every Owner shall be deemed to have delegated its right of enjoyment to the Common Areas to occupants or lessees of that Owner's Home subject to the provisions of this Declaration and the Rules and Regulations, as may be promulgated, from time to time. Any such delegation or lease shall not relieve any Owner from its responsibilities and obligations provided herein.

15.6 Easement for Encroachments. In the event that any improvement upon Common Areas, as originally constructed, shall encroach upon any other property or improvements thereon, or for any reason, then an easement appurtenant to the encroachment shall exist for so long as the encroachment shall naturally exist.

15.7 Permits, Licenses and Easements. Prior to the Community Completion Date, Developer, and thereafter Association, shall, in addition to the specific rights reserved to Developer herein, have the right to grant, modify, amend and terminate permits, licenses and easements over, upon, across, under and through Monte Carlo (including Homes) for Telecommunications Systems, utilities, roads and other purposes reasonably necessary or useful as it determines, in its sole discretion. To the extent legally required, each Owner shall be deemed to have granted to Developer and, thereafter, Association an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

15.8 Support Easement and Maintenance Easement. An easement is hereby created for the existence and maintenance of supporting structures (and the replacement thereof) in favor of the entity required to maintain the same. An easement is hereby created for maintenance purposes (including access to perform such maintenance) over and across Monte Carlo (including Homes) for the reasonable and necessary maintenance of Common Areas, utilities, cables, wires and other similar facilities.

15.9 Drainage. A non-exclusive easement shall exist in favor of Developer, Association, and their designees, and any applicable water management district, state agency, county agency and/or federal agency having jurisdiction over, across and upon Monte Carlo for drainage, irrigation and water management purposes. A non-exclusive easement for ingress, egress and access shall exist for such parties to enter upon and over any portion of Monte Carlo (including Homes) in order to construct, maintain, inspect, record data on, monitor, test, or repair, as necessary, any water management areas, irrigation systems and facilities thereon and appurtenances thereto. No structure, landscaping, or other material shall be placed or be permitted to remain which may damage or interfere with the drainage or irrigation of Monte Carlo and/or installation or maintenance of utilities or which may obstruct or retard the flow of water through Monte Carlo and/or water management areas and facilities or otherwise interfere

with any drainage, irrigation and/or easement provided for in this Section or the use rights set forth elsewhere in this Declaration.

15.10 Easement in favor of Association. Association is hereby granted an easement over all of Monte Carlo, including all Homes and Lots, for the purpose of (a) constructing, maintaining, replacing and operating all Common Areas, including, but not limited to, lakes, perimeter walls and fences, and (b) performing any obligation of an Owner for which Association intends to impose an Individual Assessment.

15.11 Duration. All easements created herein or pursuant to the provisions hereof shall be perpetual unless stated to the contrary.

16. Assessments.

16.1 Types of Assessments. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title in any manner (whether or not so expressed in the deed), including any purchaser at a judicial sale, shall hereafter be deemed to have covenanted and agreed to pay to Association at the time and in the manner required by the Board, assessments or charges and any special assessments as are fixed, established and collected from time to time by Association (collectively, the "Assessments"). All Owners and Builders shall pay Assessments. Each Builder shall pay such portion of Operating Costs which benefits any Lot or Parcel owned by such Builder, as determined by Developer, in Developer's sole discretion. By way of example, and not of limitation, Developer may require that each Builder pay some portion of Assessments on a Lot or Parcel owned by a Builder which does not contain a Home. As vacant Lots or Parcels owned by Builders may not receive certain services (e.g., Telecommunications Services), Builders shall not be required to pay for the same.

16.2 Purpose of Assessments. The Assessments levied by Association shall be used for, among other things, the purpose of promoting the recreation, health, safety and welfare of the residents of Monte Carlo, and in particular for the improvement and maintenance of the Common Areas and any easement in favor of Association, including but not limited to the following categories of Assessments as and when levied and deemed payable by the Board:

16.2.1 Any monthly assessment or charge for the purpose of operating Association and accomplishing any and all of its purposes, as determined in accordance herewith, including, without limitation, payment of Operating Costs and collection of amounts necessary to pay any deficits from prior years' operation (hereinafter "Monthly Assessments");

16.2.2 Any special assessments for capital improvements, major repairs, emergencies, the repair or replacement of the Common Areas, or nonrecurring expenses (hereinafter "Special Assessments");

16.2.3 Any specific fees, dues or charges to be paid by Owners for any special services provided to or for the benefit of an Owner or Home, for any special or personal use of the Common Areas, or to reimburse Association for the expenses incurred in connection with that service or use (hereinafter "Use Fees");

16.2.4 Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. At such time as there are improvements in any Common Areas for which Association has a responsibility to maintain, repair, and replace, the Board may, but shall have no obligation to, include a "Reserve for Replacement" in the Monthly Assessments in order to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements comprising a portion of the Common Areas (hereinafter "Reserves"). Assessments pursuant to this Section shall be payable in such manner and at such times as determined by Association, and may be payable in installments extending beyond the fiscal year in which the Reserves are approved. Until the Community Completion Date, Reserves shall be subject to the prior written approval of Developer, which may be withheld for any reason; and

16.2.5 Assessments for which one or more Owners (but less than all Owners) within Monte Carlo is subject ("Individual Assessments") such as costs of special services provided to a Home or Owner or cost relating to enforcement of the provisions of this Declaration or the architectural provisions hereof as it relates to a particular Owner or Home. By

way of example, and not of limitation, in the event an Owner fails to maintain the exterior of his Home (other than those portions of a Home maintained by Association) in a manner satisfactory to Association, Association shall have the right, through its agents and employees, to enter upon the Home and to repair, restore, and maintain the Home as required by this Declaration. The cost thereof, plus the reasonable administrative expenses of Association, shall be an Individual Assessment. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment.

16.3 Designation. The designation of Assessment type shall be made by Association. Prior to the Community Completion Date, any such designation must be approved by Developer. Such designation may be made on the budget prepared by Association. The designation shall be binding upon all Owners.

16.4 Allocation of Operating Costs.

16.4.1 For the period until the adoption of the first annual budget, the allocation of Operating Costs shall be as set forth in the initial budget prepared by Developer.

16.4.2 Commencing on the first day of the period covered by the annual budget, and until the adoption of the next annual budget, the Assessments shall be allocated so that each Owner shall pay his pro rata portion of Monthly Assessments, Special Assessments, and Reserves based upon a fraction, the numerator of which is one (1) and the denominator of which is the total number of Homes in Monte Carlo conveyed to Owners or any greater number determined by Developer from time to time. Developer, in its sole and absolute discretion, may change such denominator from time to time. Under no circumstances will the denominator be less than the number of Homes owned by Owners other than Developer.

16.4.3 In the event the Operating Costs as estimated in the budget for a particular fiscal year are, after the actual Operating Costs for that period is known, less than the actual costs, then the difference shall, at the election of Association: (i) be added to the calculation of Monthly Assessments, as applicable, for the next ensuing fiscal year; or (ii) be immediately collected from the Owners as a Special Assessment. Association shall have the unequivocal right to specially assess Owners retroactively on January 1st of any year for any shortfall in Monthly Assessments, which Special Assessment shall relate back to the date that the Monthly Assessments could have been made. No vote of the Owners shall be required for such Special Assessment (or for any other Assessment except to the extent specifically provided herein).

16.4.4 Each Owner agrees that so long as it does not pay more than the required amount it shall have no grounds upon which to object to either the method of payment or non-payment by other Owners of any sums due.

16.5 General Assessments Allocation. Except as hereinafter specified to the contrary, Monthly Assessments, Special Assessments and Reserves shall be allocated equally to each Owner.

16.6 Use Fees and Individual Assessment. Except as hereinafter specified to the contrary, Use Fees and Individual Assessments shall be made against the Owners benefiting from, or subject to the special service or cost as specified by Association.

16.7 Commencement of First Assessment. Assessments shall commence as to each Owner on the day of the conveyance of title of a Home to an Owner. The applicable portion of Assessments shall commence as to each Builder on the day of the conveyance of title of a Lot or Parcel to such Builder.

16.8 Shortfalls and Surpluses. Each Owner acknowledges that because Monthly Assessments, Special Assessments, and Reserves are allocated based on the formula provided herein, or upon the number of Homes conveyed to Owners on or prior to September 30 of the prior fiscal year, it is possible that Association may collect more or less than the amount budgeted for Operating Costs. Prior to and including the Turnover Date, Developer shall have the option to (i) fund all or any portion of the shortfall in Monthly Assessments not raised by virtue of income receivable by Association or (ii) to pay Monthly Assessments on Homes or Lots owned by Developer. If Developer has cumulatively overfunded Operating Costs and/or prepaid

expenses of Association which have not been reimbursed to Developer prior to and including the Turnover Date, Association shall refund such amounts to Developer on or prior to the Turnover Date or as soon as possible thereafter (e.g., once the amount is finally determined). Developer shall never be required to (i) pay Monthly Assessments if Developer has elected to fund the deficit instead of paying Monthly Assessments on Homes or Lots owned by Developer, or (ii) pay Special Assessments, management fees or Reserves. Any surplus Assessments collected by Association may be (i) allocated towards the next year's Operating Costs, (ii) used to fund Reserves, whether or not budgeted, (iii) retained by Association, and/or (iv) used for any other purpose, in Association's sole and absolute discretion, to the creation of Reserves, whether or not budgeted. Under no circumstances shall Association be required to pay surplus Assessments to Owners.

16.9 Budget. The initial budget prepared by Developer is adopted as the budget for the period of operation until adoption of the first annual Association budget. Thereafter, the annual budget respecting Operating Costs shall be prepared and adopted by the Board. To the extent Association has commenced or will commence operations prior to the date this Declaration is recorded or the first Home is closed, the Operating Costs may vary in one or more respects from that set forth in the initial Budget. A Builder shall pay Assessments as per the Budget for each Lot owned by such Builder commencing from the date the Builder obtained title to such Lot. Developer shall fund entirely all Operating Costs not covered by Builders' Assessments until the month prior to the closing of the first Home. Thereafter, Assessments shall be payable by each Owner and Builder as provided in this Declaration. **THE INITIAL BUDGET OF ASSOCIATION IS PROJECTED (NOT BASED ON HISTORICAL OPERATING FIGURES). THEREFORE, IT IS POSSIBLE THAT ACTUAL ASSESSMENTS MAY BE LESSER OR GREATER THAN PROJECTED.**

16.10 Establishment of Assessments. Assessments shall be established in accordance with the following procedures:

16.10.1 Monthly Assessments shall be established by the adoption of a twelve (12) month operating budget by the Board. The budget shall be in the form required by Section 720.303(6) of the Florida Statutes, as amended from time to time. Written notice of the amount and date of commencement thereof shall be given to each Owner not less than ten (10) days in advance of the due date of the first installment thereof. Notwithstanding the foregoing, the budget may cover a period of less than twelve (12) months if the first budget is adopted mid-year or in order to change the fiscal year of Association.

16.10.2 Special Assessments and Individual Assessments against the Owners may be established by Association, from time to time, and shall be payable at such time or time(s) as determined. Until the Community Completion Date, no Special Assessment shall be imposed without the consent of Developer.

16.10.3 Association may establish Use Fees from time to time by resolution, rule or regulation, or by delegation to an officer or agent, including, a professional management company, . The sums established shall be payable by the Owner utilizing the service or facility as determined by Association.

16.11 Initial Capital Contribution. The first purchaser of each Lot, Home or Parcel, at the time of closing of the conveyance from the Developer to the purchaser, shall pay to the Developer an initial capital contribution in an amount equal to not more than three (3) months' Assessments, as established by Developer (the "**Initial Capital Contribution**"). The funds derived from the Initial Capital Contributions shall be used at the discretion of the Developer for any purpose, including but not limited to, future and existing capital improvements, operating expenses, support costs and start-up costs. Developer may waive this requirement for some Lots and Homes, if the first purchaser is a Builder, and the Builder becomes unconditionally obligated to collect and pay the Initial Capital Contribution upon the subsequent sale of each Lot and Home to an end purchaser.

16.12 Resale Capital Contribution. Association may establish a resale capital contribution ("**Resale Capital Contribution**"). There shall be collected upon every conveyance of an ownership interest in a Home by an Owner other than Developer or Builders an amount payable to Association. The Resale Capital Contribution shall not be applicable to conveyances from Developer or a Builder. After the Home has been conveyed by Developer or a Builder

there shall be a recurring assessment payable to Association upon all succeeding conveyances of a Home. The amount of the Resale Capital Contribution and the manner of payment shall be determined by resolution of the Board from time to time; provided, however, all Homes shall be assessed a uniform amount.

16.13 Assessment Estoppel Certificates. No Owner shall sell or convey its interest in a Home unless all sums due Association have been paid in full and an estoppel certificate in recordable form shall have been received by such Owner. Association shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of Association, or its designees, and shall be open to inspection by any Owner. Within ten (10) days of a written request therefor, there shall be furnished to an Owner an estoppel certificate in writing setting forth whether the Assessments have been paid and/or the amount which is due as of any date. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated. The Owner requesting the estoppel certificate shall be required to pay Association a reasonable sum to cover the costs of examining records and preparing such estoppel certificate. Each Owner waives its rights (if any) to an accounting related to Operating Costs or Assessments.

16.14 Payment of Home Real Estate Taxes. Each Owner shall pay all taxes and obligations relating to its Home which, if not paid, could become a lien against the Home which is superior to the lien for Assessments created by this Declaration.

16.15 Creation of the Lien and Personal Obligation. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Home, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels of proceedings including appeals, collections and bankruptcy, shall be a charge and continuing lien in favor of Association encumbering the Home and all personal property located thereon owned by the Owner against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records stating the legal description of the Home, name of the Owner, and the amounts due as of that date, but shall relate back to the date that this Declaration is recorded. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, and other costs and expenses provided for herein, shall be the personal obligation of the person who was the Owner of the Home at the time when the Assessment became due, as well as the Owner's heirs, devisees, personal representatives, successors or assigns.

16.16 Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to bona fide first mortgages on any Home, if the mortgage is recorded in the Public Records prior to the Claim of Lien. The lien for Assessments shall not be affected by any sale or transfer of a Home, except in the event of a sale or transfer (by deed in lieu of foreclosure or otherwise) of a Home pursuant to a foreclosure of a bona fide first mortgage held by Lender, in which event, the acquirer of title, its successors and assigns, shall not be liable for such sums secured by a lien for Assessments encumbering the Home or chargeable to the former Owner of the Home which became due prior to such sale or transfer. However, any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all Owners (including such acquirer of title) as a part of Operating Costs included within Monthly Assessments. Any sale or transfer pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise) shall not relieve the Owner from liability for, nor the Home from the lien of, any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure. A Lender shall give written notice to Association if the mortgage held by such Lender is in default. Association shall have the right, but not the obligation, to cure such default within the time periods applicable to Owner. In the event Association makes such payment on behalf of an Owner, Association shall, in addition to all other rights reserved herein, be subrogated to all of the rights of the Lender. All amounts advanced on behalf of an Owner pursuant to this Section shall be added to Assessments payable by such Owner with appropriate interest.

Association may accelerate the Assessments then due for up to the next ensuing twelve (12) month period.

16.18 Non-Payment of Assessments. If any Assessment is not paid within fifteen (15) days (or such other period of time established by the Board) after the due date, a late fee of \$25.00 per month (or such greater amount established by the Board), together with interest in an amount equal to the maximum rate allowable by law (or such lesser rate established by the Board), per annum, beginning from the due date until paid in full, may be levied. The late fee shall compensate Association for administrative costs, loss of use of money, and accounting expenses. Association may, at any time thereafter, bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the Home, or both. Association shall not be required to bring such an action if it believes that the best interests of Association would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use the Common Areas or by abandonment of a Home.

16.19 Exemption. Notwithstanding anything to the contrary herein, Developer shall not be responsible for any Assessments of any nature or any portion of the Operating Costs. Developer, at Developer's sole option, may pay Assessments on Homes owned by it, or fund the deficit, if any, as set forth in Section 16.8 herein. The Board shall have the right to exempt any portion of Monte Carlo subject to this Declaration from the Assessments; provided that such part of Monte Carlo exempted is used (and as long as it is used) for any of the following purposes:

16.19.1 Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;

16.19.2 Any real property interest held by a Telecommunications Provider;

16.19.3 Any of Monte Carlo exempted from ad valorem taxation by the laws of the State of Florida;

16.19.4 Any Association Common Areas.

16.20 Collection by Developer. If for any reason Association shall fail or be unable to levy or collect Assessments, then in that event, Developer shall at all times have the right, but not the obligation: (i) to advance such sums as a loan to Association to bear interest and to be repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, which remedies, including, but not limited to, recovery of attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, shall be deemed assigned to Developer for such purposes. If Developer advances sums, it shall be entitled to immediate reimbursement, on demand, from Association for such amounts so paid, plus interest thereon at the Wall Street Journal Prime Rate plus two percent (2%), plus any costs of collection including, but not limited to, reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy.

16.21 Rights to Pay Assessments and Receive Reimbursement. Association, Developer, and any Lender of a Home shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Home. If so paid, the party paying the same shall be subrogated to the enforcement rights of Association with regard to the amounts due.

16.22 Mortgagee Right. Each Lender may request in writing that Association notify such Lender of any default of the Owner of the Home subject to the Lender's Mortgage under the Association Documents which default is not cured within thirty (30) days after Association learns of such default. A failure by Association to furnish notice to any Lender shall not result in liability of Association because such notice is given as a courtesy to a Lender and the furnishing of such notice is not an obligation of Association to Lender.

17.1 Availability. There shall be available for inspections upon request, during normal business hours or under other reasonable circumstances, to Owners and Lenders current copies of The Association Documents.

17.2 Copying. Any Owner and/or Lender shall be entitled, upon written request, and at its cost, to a copy of the documents referred to above.

17.3 Notice. Upon written request by a Lender (identifying the name and address of the Lender and the name and address of the applicable Owner), the Lender will be entitled to timely written notice of:

17.3.1 Any condemnation loss or casualty loss which affects a material portion of a Home to the extent Association is notified of the same;

17.3.2 Any delinquency in the payment of Assessments owed by an Owner of a Home subject to a first mortgage held by the Lender, which remains uncured for a period of sixty (60) days;

17.3.3 Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained hereunder;

17.3.4 Any proposed action (if any) which would require the consent of a specific mortgage holder.

18. Architectural Control. The following provisions govern Monte Carlo.

18.1 Architectural Control Committee. The ACC shall be a permanent committee of Association and shall administer and perform the architectural and landscape review and control functions relating to Monte Carlo. The ACC shall consist of a minimum of three (3) members who shall initially be named by Developer and who shall hold office at the pleasure of Developer. Until the Community Completion Date, Developer shall have the right to change the number of members on the ACC, and to appoint, remove, and replace all members of the ACC. Developer shall determine which members of the ACC shall serve as its chairman and co-chairman. In the event of the failure, refusal, or inability to act of any of the members appointed by Developer, Developer shall have the right to replace any member within thirty (30) days of such occurrence. If Developer fails to replace that member, the remaining members of the ACC shall fill the vacancy by appointment. From and after the Community Completion Date, the Board shall have the same rights as Developer with respect to the ACC. The ACC shall enforce the Community Standards as set forth herein.

18.2 Membership. There is no requirement that any member of the ACC be an Owner or a member of Association.

18.3 General Plan. It is the intent of this Declaration to create a general plan and scheme of development of Monte Carlo. Accordingly, the ACC shall have the right to approve or disapprove all architectural, landscaping, and improvements within Monte Carlo by Owners other than Developer. The ACC shall have the right to evaluate all plans and specifications as to harmony of exterior design, landscaping, location of any proposed improvements, relationship to surrounding structures, topography and conformity with such other reasonable requirements as shall be adopted by ACC. The ACC may impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning, or other local governmental codes.
